BATMAN AND ROBIN AND HOWARD: SUMMER BREAKDOWN

by JEFFREY BROWN with SILVANA BRYS

Whoa! You're superheroes?!
Super? No, just heroes.
Like, we're a super club of heroes, not a superhero club.
We do the little things superheroes don't have time for.
Like what?
You know, helping kids cross the street safely, rescuing pets, organizing meals for families with new babies...
Uh, yeah. That's great.
No biggie.
We even won a community action award. Maybe you read about us in the Daily Planet?
The newspaper for Metropolis? I don't think so.
It's better than the Gotham papers. You can read it online. I can show you the picture they took of us with Superman! Wait, where's my phone?

This happens to H3@th3r all the time. Too many pockets.
I must've dropped it somewhere.
Is this it?
Oh! Thanks—
Good eye!
Howard.
And this is Damian.
I know you!
Here we go again. Everyone knows my dad is billionaire Bruce Wayne—
Yeah. Of course, I'm—
You're Dribble's owner!
Oh.

How do you know about my dog?
Are they actually a VILLAIN club?
I volunteer at the Gotham Animal Clinic.
I remember Dribble because he was so intelligent.
Also needs to be fed a bit less, from what I remember.
Yeah, he is smart! He does laundry. He could probably do the dishes! Right, Damian?
:Giggle.:
So, you all volunteer and do stuff. That's cool.
Do you two do anything heroic?
Yeah. ALL THE TIME.

Well, this summer we're doing unpaid internships at WayneCorp.
WayneCorp? So you're working for a megacorporation and they don't even pay you?
It's unpaid so we can get school credit. And we're actually doing something to make a real difference!
Really? How?
We're studying variations in the temperatures of all the neighborhoods.
Uh, okay.
This way we can find out how the lack of trees and parks makes some areas of Gotham warmer, which -
That's amazing!

You don't have to be sarcastic.
We're not! This really is perfect.
What do you mean?
We're not going to save the world, obviously.
Speak for yourself. My dad and I save the world once a month.
But we are trying to save this park.
Yeah! The city has some corrupt business deal for some corporation to replace this park with a FACTORY!
Maybe we can use your research to stop them!
Oh, yeah!

I don't think we'd be allowed, though. It's, like, company secrets.
Yeah, but your dad—
Shh!
Look, here's a flyer. It'd be great if you could help.
Here. Put your number in my phone. Then we can connect if you think of anything.
Sure!
Thanks, Howard. And Damian.
See you around.
